Best Performing Factors:

QUALITY GOVERNANCE & MANAGEMENT TEAM

PIPELINE & PORTFOLIO

INVESTMENT TEAM

The factors identified above are those elements of the offer that we deem to be the Manager's strongest, relative to the other factors that we rated during their review. For more on how these factors rate compared to the wider market, please see our rankings in MJ Hudson's AdvantageIQ system.

Please be aware that the Manager mentioned in this report purchased the rights to distribute this Rating Certificate as a marketing document only. This should not be relied upon as due diligence in making an investment recommendation. To access full research services, including further tax-advantaged investment research reports and the full research report upon which this document is based, and which can be used for giving investment advice, please visit advantageIQ.co.uk where both individual reports and subscriptions are available for purchase.

The MJ Hudson Allenbridge Investment Evaluation Process

This product has undergone MJ Hudson Allenbridge's independent investment evaluation process, which is outlined below. All products must pass through a rigorous process of qualitative and quantitative data analysis and are benchmarked against other products in their peer group, as well as undergoing a full investment committee process where scores for each rating factor are awarded. The full report examines each of the ratings factors outlined below in detail, while each element is considered in depth as part of MJ Hudson Allenbridge's 9-stage process, culminating in the report being published and the Cornerstone Trustmark being awarded.

1	Initial information request through AdvantageIQ		4	Preliminary report drafted		7	Manager sent draft to review factual accuracy	
2	"IQ process" completed. Data audited and verified		5	Investment Committee and Compliance review process		8	Report finalised and published	
3	Due diligence analysis and meetings		6	Reviewing draft completed		9	Cornestone Trustmark awarded
